Star Match™ Compatibility Report for Brad & Angelina

Introduction

The StarMatch(tm) astrological compatibility report helps you compare two charts by 1) identifying each partner's emotional needs by describing their Descendant (7th house cusp), Sun, Moon, Mercury, Venus, and Mars; and 2) examining the way their two charts interact. After describing what each partner needs in their love life, the report assesses their interaction by describing the significant aspects between their charts. These aspects identify areas of attraction, harmony, and conflict. The "Strength" noted for each aspect shows its degree of influence on the relationship. The Strength combines the aspect's closeness of exactitude with its positive or negative value for compatibility purposes. The higher the Strength is, the more strongly the aspect is likely to be felt and acted out in the relationship.

Planets in Signs

Brad's Gemini Descendant

In love relationships you prefer a partner who is intellectually stimulating and exciting to converse with. They must also be adaptable, inquisitive and somewhat dualistic in personality. You may often choose young partners or at least those who maintain a youthful demeanor into their adult life. Instead of planning your romantic encounters, you prefer to be more spontaneous and just follow the mood.

Through marriage (or other long-term committed relationship), you will learn to express yourself with consideration for another. The best lover for you would be one who could provide some grounding to help you cope with the mundane realities of life.

Angelina's Capricorn Descendant

You are highly sensitive and intuitive and do not deal well with rejection, which causes you to shy away from making romantic advances. You take love and sex very seriously, and a measure of emotional security is important if you are to enjoy sex with your partner. It is essential that there be mutual trust and respect in any relationship you develop.

Persons with Capricorn descendant often marry partners who are older than them. You admire the qualities of honor and dignity in your mate and enjoy being "taken care of," although at some level you may also resent it. Relying on your lover to take care of your needs is one thing, but developing a totally dependent relationship is another. You would be happier with the former.

Star Match™ Compatibility Report for Brad & Angelina

Brad's Sun in Sagittarius

A high degree of personal involvement with your partner is necessary--casual affairs leave you cold. Sex is more than a physical release for you. You require intimacy and communication with your lover. Therefore, it is most important that your mate be intellectually and emotionally compatible with this need.

You want your relationship to extend beyond the bedroom and out into the world. It is important to you that you be able to work as well as play with your partner. Although you require a deep intimacy in order to be happy in a long-term relationship, your partner must also be able to grant you freedom to pursue your own goals in life. This is the balance you seek.

Angelina's Sun in Gemini

Communication is very important in your relationships, and you can learn a great deal through your partners--that is, if you are willing to undergo a little self-examination. You don't like others to probe your deeper secrets and feel embarrassed at displays of emotion (yours or others').

It is important to you that your lover be your friend. Sex alone is not going to make you happy in a relationship, no matter how good it is. You have a light-hearted attitude toward sex and need a partner who shares your need for variety and stimulation. You have a knack for sexual experimentation and can become bored with a partner who is not of similar temperament.

Star Match™ Compatibility Report for Brad & Angelina

Brad's Moon in Capricorn

The best partner for you would be one who is stable, loyal and reliable. But that does not mean they need to be dull. You just need commitment and reassurance that the love you have is real and lasting. Your partner must be sincere, and they must believe in a high level of communication in the relationship.

Some persons with Moon in Capricorn marry for money or status. Or they may provide the means of support for their partner. No matter what reason you marry, you seek a solid long-term relationship which improves as it ages. You would like to grow old with your partner, all the while being the best of friends.

Angelina's Moon in Aries

You tend to live for the moment and make lightning-quick decisions in your love life. For this reason, you may rush into love affairs too quickly before you have had a chance to accurately assess the situation. You need a partner who is exciting and spontaneous. Otherwise, you may find that you often leave him or her behind when you dash off in pursuit of new adventures.

Be careful not to let the affair become so intense that it burns itself out quickly. Look before you leap into an intimate committed relationship. You need a partner who can help keep the feeling of newness and excitement alive in your relationship.

Star Match™ Compatibility Report for Brad & Angelina

Brad's Mercury in Capricorn

Since you tend to be rather conservative in your thinking, you probably adhere to society's views on what is normal in sexual relationships. You probably would automatically rule out things which most people would consider "kinky" or "weird." Therefore, you need a lover who would be in agreement with your sexual values rather than one who would constantly shock you with suggestions of unusual sexual behavior.

You are careful to learn what pleases your partner and then make sure you provide it. This can be a good practice except that your partner's taste and/or preference may change from time to time. In order to avoid getting into a rut sexually, be sure to ask for an update from your partner from time to time so that their needs receive full attention. An occasional change in your sexual program can add excitement and intrigue.

Angelina's Mercury in Gemini

Communication and mental affinity are important to you in your relationships, and you and your partner will probably share many erotic discussions. Your imagination is very sharp, and it is imperative that you do not allow yourself to become bored intellectually. For this reason, your partner must learn to excite you mentally as well as physically.

You are a pro at whispering "sweet nothings" to turn your lover on, and you may enjoy discussing the intricate details of lovemaking with your partner, before, during and/or after the experience. You also enjoy reading erotic material and may get new ideas for expanding your own repertoire of fantasies. You need a partner who is adventurous enough in sex to constantly try out new ideas with you.

Star Match™ Compatibility Report for Brad & Angelina

Brad's Venus in Capricorn

You are attracted to people who are practical, persevering and accomplished. Some with this Venus position marry for money or status, and they certainly recognize true value in a partner when they see it. Security is very important to you--both emotionally and materially. You seek quality in your relationships and will not settle for anything less.

Venus in this sign makes you somewhat controlled and reserved in your love life. You are able to be patient and wait for what (or who) you want. Actions speak louder than words to you, and you will be a tremendously loyal and helpful mate. You seek security in your relationships, and you truly need to be needed. It is important to you that your mate treat you and your relationship with respect.

Angelina's Venus in Cancer

You seek a deep love in which you can merge souls and personalities with your lover. You are totally devoted to your mate, and you seek such devotion in return. Be careful that this devotion does not turn into jealousy and possessiveness, which could result in your lover feeling trapped. Remember that a truly solid relationship is based on two strong individuals who share mutual goals.

Your sexual appetite is quite strong, partly because you allow your sexual energy to build for a while before releasing it. If you find this to be frustrating, try communicating your needs to your partner before you reach that point. They can only satisfy your needs if they are aware of them.

Star Match™ Compatibility Report for Brad & Angelina

Brad's Mars in Capricorn

You seek a partner with Capricornian qualities, such as stability, ambition, and self-discipline. It is important to you that you be treated with respect in your relationships, and you can even have a paternal attitude toward your lover (no matter which sex you are). You need a lover who offers you security and who will be satisfied in a relationship that is somewhat structured.

Sexually, you tend to be faithful to your lover. You will be happier if you develop one relationship that can become long-lasting and secure. It will be doubly satisfying if you and your partner share a common goal or ambition.

Angelina's Mars in Aries

You have a direct approach to romance and lovemaking, and you need a partner who does not require a great deal of courting and who will not mind that you are most often the initiator in your relationship. You are eager to get to the physical part of lovemaking and should be careful not to leave your partner behind emotionally once you get involved. The lessons you need to learn are self-restraint and patience.

Be careful not to act rashly and impulsively in making commitments in love relationships. Also, be sure to get all sides of the story and think things over carefully before acting in anger. Otherwise, you may regret it when you calm down.

You would also enjoy taking short journeys together.

Brad's Mercury in Angelina's 6th House

This combination is more common between passing acquaintances than long-term friends or lovers. You can brainstorm together quite effectively to come up with new solutions for common problems. Brad can suggest ideas to help Angelina work or live more efficiently and may positively influence Angelina's overall attitude about diet, health, and stress management. This is an excellent combination in business relationships of all kinds, as well as between patient and doctor. You can work together harmoniously, even in stressful situations.

Star Match™ Compatibility Report for Brad & Angelina

Angelina's Mars in Brad's 4th House

Your influence on each other is largely determined by the overall compatibility between you. If the comparison is mostly positive (and Mars is well-aspected in Angelina's natal chart), you may share a household. If so, you'll work effectively together on domestic projects and may even run a business from your home. If a more difficult comparison (or if Mars is heavily afflicted in Angelina's natal chart), Brad will consider Angelina to be aggressive and considerate. In turn, Angelina will consider Brad to be lazy, overly sensitive and too wrapped up in family matters. This is an unfavorable combination between marriage partners or family members (especially child and parent).

Brad's Mars in Angelina's 6th House

You can work effectively together on joint projects, especially in the areas of science, engineering or politics. Angelina can help provide constructive channels for Brad's high energy. If between boss and employee, Angelina will work hard to meet the demands of Brad. If a difficult comparison (or if Mars is heavily afflicted in Brad's natal chart), Brad may become overly critical and lose patience with Angelina's work habits, believing them to be inefficient. Brad should learn to develop more patience with Angelina. Otherwise, the constant pressure on Angelina could result in accidents or illness.

Star Match™ Compatibility Report for Brad & Angelina

Angelina's Jupiter in Brad's 4th House

You could run a successful business together, especially in the fields of real estate, farming, food, or products for the home. As you explore new concepts and ideas, you will help to broaden each other's minds (especially in such areas as science and metaphysics). You each respect the other's freedom and individuality and would never attempt to manipulate or control the other. If a difficult comparison (or if Uranus is heavily afflicted in Angelina's natal chart), Brad may find Angelina to be unpredictable and unreliable. Your friendship could end suddenly and without warning.

Brad's Uranus in Angelina's 2nd House

This combination is common between business associates, especially in the areas of science, inventions, electronics, and metaphysics. Brad can encourage Angelina to invest in new and innovative ideas and to be more willing to take risks financially. Angelina can help Brad practically apply intuitive insights to everyday economics. If the comparison is positive overall (and Uranus is well-aspected in Brad's natal chart), you could help each other become wealthy. If not, then you may lead each other deep into debt. While together your financial situations may go through many ups and downs. Brad may find many excuses to dip into Angelina's resources.

You share a karmic bond and enjoy similar interests in art, music, mysticism and psychic sciences. If the comparison between you is a positive one overall (and Neptune is well-aspected in Brad's natal chart), Brad inspires Angelina to become more spiritual and intuitive. Angelina will create a peaceful, harmonious home life conducive to prayer and meditation. If a more difficult comparison (or if Neptune is heavily afflicted in Brad's natal chart), your home life will be fragmented and confused. Brad may feel neglected or misunderstood by Angelina, and Angelina may feel Brad is untrustworthy (especially in real estate matters). There may be problems with your families because of religious differences.

Angelina's Pluto in Brad's 10th House

This combination is common between people who work together in corporate affairs, politics, scientific research, or the occult. The work you do together will have a profound effect on those around you, and you have the power to help bring about massive reforms. If a more difficult comparison (or if Pluto is heavily afflicted in Angelina's natal chart), Angelina may try to manipulate or control Brad's professional life or may become a rival for Brad's position. There may be intense power struggles between you which could damage both your reputations.

Brad's Pluto in Angelina's 2nd House

You will have a profound effect on each other's value systems, and especially your attitudes about money. If the comparison between you is a positive one overall (and Pluto is well-aspected in Brad's natal chart), Brad can help raise Angelina's awareness of socially conscious practices, such as conservation and recycling of resources. You can also be very resourceful when doing business together, and this could benefit you both financially. If a difficult comparison (or if Pluto is heavily afflicted in Brad's natal chart), you may have conflicts over jointly-held assets, especially inheritances, corporate holdings, or alimony. Avoid the tendency to try to manipulate or control each other's resources.

Planets in Aspect

Brad's Mars square Angelina's Mars (Strength: -450.0)

There is conflict between your individual wills. You may have a tendency to obstruct or interfere with each other's endeavors. The inability to resolve differences can result in disputes. There can even be vindictiveness between you if you are not able to work out disagreements. Since you do not cooperate very easily, this skill must be cultivated. Unless there is much mutual respect and tolerance shown by other aspects in the relationship, this is a very undesirable aspect in marriage or business partners.

Angelina's Moon trine Brad's Ascendant (Strength: +317.6)

Angelina has a comforting and soothing effect on Brad. Brad can help Angelina overcome emotional difficulties so as to achieve security in domestic and financial matters. With this combination you find it easy to cooperate in family decisions. Since it indicates emotional compatibility and mutual understanding, it is frequently found between marriage partners.

Angelina's Sun square Brad's Pluto (Strength: -281.3)

This aspect can indicate friction between you as Brad will resist Angelina's authority and will become jealous, rebellious, demanding, even vindictive. Brad resists criticism from Angelina and will instead try to change Angelina. In a romantic relationship, Brad could undermine the confidence of Angelina and will try to reform Angelina. Traditionally, this aspect is a sign of infidelity in a major relationship. At the very least, there will be a rivalry for supremacy.

Brad's Uranus square Angelina's Neptune (Strength: -225.0)

There are major differences in your social or political views, and you hold different ideals for your life and for the planet as a whole. This aspect magnifies other areas of discord between you. If the comparison is basically a positive one, this one will merely add minor irritation.

Star Match™ Compatibility Report for Brad & Angelina

Angelina's Sun opposite Brad's Ascendant (Strength: +216.5)

This aspect indicates a strong sexual attraction and is often found between marriage partners. You act as mirrors for each other and in this way each of you can teach the other a great deal about themselves. You share many common interests and yet are rarely bored with each other. There is a spiritual bond between you which encourages mutual self-awareness and creative expression.

Angelina's Mars conjunct Brad's Jupiter (Strength: +212.4)

You have similar aspirations and ambitions and could accomplish a great deal together. You will each be helpful and supportive toward the other, and any association will result in your mutual benefit. The only danger is that your association could promote extravagance and wild speculation in you both. You encourage optimism, ambition and growth in each other and share a love of sports, nature and the outdoors. This aspect is often found between the charts of marriage or business partners.

Angelina's Mars trine Brad's Ascendant (Strength: +172.9)

You could combine your skills and efforts and work effectively together in business. If you live together, your home life is harmonious and you each respond instantly to an expression of need from the other. There is also a strong sexual attraction between you.

Brad's Jupiter trine Angelina's Neptune (Strength: +150.0)

You share a spiritual and psychic tie, and there is mutual encouragement of idealism, intuitive development, spiritual or religious interests, and charitable instincts. You provide inspiration for mutual growth and expansion and will support each other in achieving your ambitions in life. In the case of business partners, this aspect indicates the accumulation of wealth.

Brad's Mercury opposite Angelina's Saturn (Strength: -120.9)

Angelina can be critical and discouraging and may tend to harshly judge or discount the intellectual talents and attainments of Brad. Angelina can do damage to Brad's self-confidence, causing resentment to grow between you. Brad, you must learn to protect your own spiritual health and well being. Brad may feel that Angelina is limiting Brad's

Star Match™ Compatibility Report for Brad & Angelina

growth, and that because of Angelina there are delays and restrictions placed on Brad's progress. Brad will seem careless and impulsive to Angelina. It is difficult for you to cooperate with each other (unless the comparison contains several other positive aspects which offset this one). If there are many other mitigating aspects, much can be learned through constructively challenging each other in your individual (and collective) goals in life.

Angelina's Saturn trine Brad's Neptune (Strength: +120.0)

Brad can inspire Angelina to fully express Angelina's creativity, while Angelina in turn stabilizes Brad. The association is a harmonious one. Properly expressed, this aspect can encourage Angelina to fly and break away from material concerns; and at the same time it can help Brad to become more grounded and practical.

Angelina's Mars square Brad's North Node (Strength: -112.5)

You have very different social attitudes and belief systems. Brad sees Angelina's behavior as crude and inappropriate. Angelina considers Brad to be stuck up and a slave to social trends. This is a poor combination between business partners if your business involves following social trends.

Brad's Mercury square Angelina's Midheaven (Strength: -87.5)

You have very different ideas about how to handle your professional and domestic lives. There are likely to be major differences of opinion between you, especially regarding politics and career decisions. To Angelina, Brad appears indecisive and unreliable. Brad does not respect Angelina's ideas with regard to professional or domestic matters.

Angelina's Moon square Brad's Mercury (Strength: -80.4)

Angelina can be hypersensitive to the viewpoints and feelings of Brad. Brad may sometimes misinterpret words or deeds of Angelina. Communication and understanding are difficult, and you may get caught up in petty arguments. Brad may become irritated and impatient if Angelina is not able to follow Brad's line of thinking. Brad may be critical of Angelina and may not understand (or may totally disregard) the moods and emotions of Angelina. Misunderstandings are common. Positive aspects between your Sun, Moon, Mercury or Venus can provide the cooperation needed to resolve differences.

Star Match™ Compatibility Report for Brad & Angelina

Angelina's Neptune conjunct Brad's Ascendant (Strength: +79.3)

This combination indicates that there is a psychic link between you. Angelina will share new levels of spiritual self-awareness with Brad, who will learn a great deal through the association. If Angelina's Neptune is afflicted, Angelina may encourage self-indulgence and even drug and alcohol abuse in Brad.

Angelina's Moon square Brad's Mars (Strength: -76.2)

This aspect can produce a serious personality conflict. There is a strong attraction and mutual stimulation, but there is an equally strong adverse emotional reaction. Brad can be rude or abrupt toward Angelina, and Angelina tends to be hypersensitive to the impulsiveness of Brad's actions. Some facets of Brad's personality may irritate Angelina, such as a lack of consideration and tolerance. Brad needs to practice more self-restraint and patience with Angelina, who in turn must try not to be so overly sensitive.

Angelina's Ascendant sextile Brad's Midheaven (Strength: +75.0)

Your goals and ideals are compatible and you are able to cooperate in joint projects which will result in greater domestic and professional security for you both.

Angelina's Venus sextile Brad's Midheaven (Strength: +65.5)

This combination brings harmony and cooperation to your relationship. You share common social and career goals and are able to work as an effective team to achieve them. Angelina brings beauty and harmony to your home and family life, while Brad provides professional and economic security.

Angelina's Moon conjunct Brad's Jupiter (Strength: +56.4)

This is a very positive aspect in any relationship, as it encourages mutual confidence and respect. Brad stimulates Angelina's imagination and self-confidence and will also be patient, tolerant, generous and protective. Even if the relationship should end, Brad would never hold any ill feelings toward Angelina. If Brad is spiritually inclined, Brad will

Star Match™ Compatibility Report for Brad & Angelina

have an inspiring effect on Angelina, bringing out Angelina's best qualities. This aspect also promotes fertility.

Brad's Sun sextile Angelina's Uranus (Strength: +52.7)

Both partners usually benefit from this combination, especially if they can allow each other plenty of freedom and respect each other's right to independent expression. There is spiritual harmony, and your association awakens intellectual and creative powers in you both. You always find each other interesting, and life is never boring when you are together. Often this aspect indicates that the relationship will have frequent interruptions involving one party's absence for long periods of time. But this too can serve to rekindle interest and excitement in the relationship. Remember that absence makes the heart grow fonder.

Angelina's Jupiter sextile Brad's Saturn (Strength: +47.7)

This is a highly favorable aspect in all relationships, particularly in business. Brad's prudence and conservatism blend well with the expansive ability and optimism of Angelina. You can advise each other well and can join efforts with great results. If Angelina tends to be overconfident or reckless, Brad's influence can be a help rather than a hindrance.

Angelina's Moon square Brad's North Node (Strength: -42.8)

Angelina's family background and emotional conditioning are incompatible with Brad's idea of proper social and cultural behavior. You have very different attitudes about what is appropriate, or even ethical, behavior.

Angelina's Sun square Brad's Uranus (Strength: -36.9)

Freedom is a problem area in your relationship. Angelina finds Brad to be annoyingly unpredictable, and Brad resents Angelina's attempts at control and will rebel against any display of power or authority by Angelina. In extreme cases your conflicts may even become violent. It is difficult to achieve cooperation with this combination, and it often causes conflict and separations. Both of you are impatient with the other and find it difficult to see things from their perspective.

Star Match™ Compatibility Report for Brad & Angelina

Brad's Mercury square Angelina's Jupiter (Strength: -36.7)

You find each other to be mutually inspirational. Angelina's optimism and Brad's mental qualities are a great combination for creative expression by both of you. However, there may be differences of opinion along religious or ethical lines which are irritating to both of you. Brad may seem petty at times to Angelina, who in turn may seem to promise more than can be delivered. This is not a serious source of conflict if there are many other indications of compatibility in the comparison.

Angelina's Sun sextile Brad's Jupiter (Strength: +32.4)

Your relationship is based on mutual encouragement, sympathy, tolerance, generosity, trust, and loyalty. You could bring out the very best qualities in each other, especially if you make a conscious effort to do so. Your relationship will bring mutual growth, both materially and spiritually. No matter what goes wrong between you, the good will always remain. Although this combination is beneficial for both of you, Angelina will most likely derive the greatest benefit from the association.

Brad's Venus opposite Angelina's Ascendant (Strength: +30.7)

There is a strong emotional attraction here, and this combination is frequently found between marriage partners. You both value your relationship a great deal and are willing to compromise and make adjustments in order to preserve the peace. You are gentle and considerate toward each other.

Angelina's Mercury trine Brad's Saturn (Strength: +24.2)

Brad steadies the mind of Angelina and deepens Angelina's thinking, drawing attention to the seriousness of life. Angelina can offer extra facts or a new way of seeing things for Brad to ponder. Angelina can appreciate the knowledge and experience of Brad, and Brad can make constructive suggestions to Angelina without being critical. This aspect is especially favorable between teacher-student, employer-employee, parent-child or business partners. As with most aspects involving Saturn, it indicates durability.

Star Match™ Compatibility Report for Brad & Angelina

Brad's Moon opposite Angelina's Ascendant (Strength: +18.1)

This aspect is an indication of mutual sexual attraction. Brad can provide a secure home for Angelina, who in turn will satisfy the emotional and domestic needs of Brad. You would work well together in a business related to food, farming, real estate or home products.

Brad's Mars square Angelina's Pluto (Strength: -14.4)

There is a strong conflict of wills between you. Each strongly resists any attempt at a show of authority from the other. Even in a basically positive comparison, this aspect will cause minor irritations and arguments. If the comparison is already basically negative, there can be animosity and even vindictiveness between you. In romantic relationships, this aspect indicates the necessity for sexual adjustments.

Angelina's Saturn sextile Brad's Pluto (Strength: +8.7)

You have many mutual interests and can plan and execute projects well together. You can join efforts to bring about needed change and could work well together in business. Brad provides the desire to transform and Angelina provides the practical application and experience. In all relationships it indicates harmony of purpose.

Brad's Jupiter opposite Angelina's Pluto (Strength: -8.0)

This aspect can indicate frustration due to conflicting ideals and ambitions. This can result in misunderstandings and lack of cooperation. Angelina may refuse to accept Brad's philosophical values and moral standards, and Brad may find Angelina too narrow minded and unwilling to make concessions. This aspect presents more problems for Brad than Angelina.

Brad's Ascendant trine Angelina's Midheaven (Strength: +7.4)

Your goals and ideals are harmonious and you are able to cooperate in joint projects which will result in greater domestic and professional security for you both.

Star Match™ Compatibility Report for Brad & Angelina

Brad's Sun opposite Angelina's Mercury (Strength: +7.2)
